Didnt know the stream till the last pictures. That stream is where I caught my first wilds on dries. I used to love the place.

By far, most of the littering problems there is from kids. To be honest, it was a staple place to go party when I was young and I probably did some littering there myself being dumb and young and only noticing the bikinis/daisy dukes and not the trash.

Not that its an excuse.

God I remember a stunning chick take a bad spill there and bust her chin open. She was a real knockout. All I could do was look at her body as she laid there in tears. I'm so ashamed.
