Awesome weekend! Thanks to Dave and all the mods for a great event. With stream conditions being about perfect, tons of fish and incredible hatches, who could ask for more. It was my first jam and I met lots of new friends and managed to catch a few of those beautiful wild brownies. Caught fish on dries, emergers, soft hackles and nymphs. March Browns, gray fox, sulphurs, caddis, craneflies, midges. Wow! What an education! Thanks again to all involved in the organization of the event. Well done!
