Fantastic jam. Was there from Wednesday afternoon through Sunday, and the fishing was great through it all. Our worst day was actually Sat, but that still wasn't all that bad.

Picture slideshow is [HERE](#)

I'm gonna have to get away from photobucket, that slideshow thingy sucks these days and cuts off all your pictures. Hit alt-enter and don't touch the mouse for a while and it gets a little better. I'll upload some to the board site when I get time. In the meantime, here's the most important pic, which was cut off horribly in that string.

Pontus learning what central PA is all about. :) I was trying to teach him the "big fish pose", but we have some work to do in that regard. Nonetheless, we have the most difficult part of it here, the big fish!!!!
