I too had an awesome time seeing old friends and new acquaintances. I can't even count how many folks I introduced myself too that I had met before. Haha...I will try to remember you for next year. 🏆

Really enjoyed my special request performed by shakey. The generosity of the folks who brought and made food Saturday was outstanding! Sure the fishing was great and I caught fish so thats a plus. Finally got to fish with Dryflyguy. Man that guy is a machine. can't wait til next year.

Another masterpiece painted by Fishidiot and rod case hand crafted by Cody. And to all the folks who donated the other items in the raffle, Thanks! Even though I didn't win anything....again! THats OK though cuz the proceeds go to a worthwhile cause. The Fly Fishing and Conservation Youth Camp.

Thanks to Dkile for having the vision to put together a vehicle to get these like-minded folks together to enjoy and share their passion.

Top Notch!
