Well got a ride up to waltrous, from the pine creek outfitters at noon today. started out with nymphs and wet fly's, saw a few MB's and caddis coming off but no risers. Water was perfect conditions. worked the runs and pools hard at first with no results. Talked to a few others with same results fish were tight mouthed. Had a nice float with beautiful surroundings. Met Dave Rothrock at the end near my take out, he had same results to. Been a rough early season. Saw lots of fish just no takers, even the chubs were not taking. This would be a great float for a get together. Might have to do one some time.
