We got a bunch of items back in stock. We're expecting the fly boxes and a few other items back in stock very soon. Once that happens, our grand opening sale will last 2 more weeks, then we will go to our list price. At that point the PAFF discount will go to 15% with a permanent coupon code. So if you want anything at the 40% off discount just PM or email us at risenflyco@yahoo.com.
