Went to the fly shop in Hancock by on the upper Delaware river and I will never go back there. Walked in guys behind the desk never even acknowledged that we were there. Didn't even say hello when we walked in the door. Then waited at the register and after 5 minute "oh I guess your ready". Big disappointment from that place. Ill drive way out of my way to go to Roseco where people actually care about their customers

Sorry to hear that. Coz @ Border Waters is a great guy and runs a really good shop. At this time of year, I'm sure Coz was on the water. I wouldn't let let one tool working there sour completely. Now if you asked him "How's the fishin" or "what's hatchin" and he ignored you....I'm with you.
