Just so you guys that couldn't make it (Andy, Tony, DaveS, Tom G) don't feel too bad, not everyone had the best fishing of their lives. LSoult, gfen, and I managed to set up on the only stretch of Spring where nothing really happened. We saw some bugs, nothing major though. We worked really hard for a few fish. One day of fishing up there never seems like enough.

Had a great time seeing friends and meeting new ones as well (gfoledc, Phil, Osprey, LSoult, etc). Shakey was great as usual on Saturday night and the raffle was excellent. FI's painting and CSoult's rod case were both stunning. I feel very lucky every year to have become involved with this group. Until next time...

I don;t feel bad about missing the fishing. If I get off may lazy @\$\$ I can find good fishing. I do miss the collection of people, food and drink. That combination is a once a year event. I'll try to hit one of the the smaller get togethers this year.
