DFK,

You could be talking about two different shops that come to mind. Going with everyone else's assumption, you should email the owner unless it was the owner that upset you. I'll shoot ya a PM. You describe the guy and I'll know who it is. I'm also curious which guide helped you out. I'll be there Monday and will probably talk to one of the guides tomorrow. He's trying to get Wednesday off to fish with us. If people aren't happy, they need to know. I'm not shy and won't hesitate to speak my mind to them. If you go to other shops, don't expect much difference. I can think of one shop where you'll ask "wher can I find some trout" and the response probably will be "in the F'n water". A good angler / guide / businessman doesn't equal a good personality unfortunately. Bart at the DRC is an awesome guy. Coz is great, Dennis at Catskill Flies is one of my favorites. Everyone is entitled to a bad day. Don't let that crap bother ya or detract from your fishing experience.
