Even though I was only there for one night this year, I made the most of it - staying up until almost 4 am sat night- which is way past my bed time.

Had a great time catching up on things with old friends.

Found some pretty decent fishing on spring creek sunday evening with Maurice. Thanks again for the stream side cookout Mo!

PhilC and Pontus - things did get better after you guys left.

Another big thank you to DaveK and the moderators for putting this all together. Your hard work is certainly appreciated
