I can think of one shop where you'll ask "wher can I find some trout" and the response probably will be "in the F'n water". = Dennis at Catskill Flies.

Fixed your post. LOL. In all seriousness, you gotta kind of warn people about Dennises hours (whenever he wants), attitude, etc. Once you understand what you are dealing with (NY #censor#) you will pick up a lot of valuable information AND he has some of the best damn hand tied flies I have ever seen.

DFK, I would suggest naming the shop. Because failing to do so has resulted in guessing which shop it is and potentially causing ill will for shops that have done no wrong.
