The meeting on Spring Creek Canyon lands went well. The place was packed with opponents of the proposed land deal. Here's the story.

If you want to help protect the future of Spring Creek, the best thing to do is send your views to:

Senator Jake Corman
236 Match Factory Place
Bellefonte, PA 16823

Suggested message: Oppose transfer of these public lands to Penn State. Support ownership of these lands by a public resource agency. Such as the PA Game Commission or DCNR. For protection of Spring Creek and its surrounding lands.

Put it into your own words, of course. Many of you have fished Spring Creek. Tell the Senator what Spring Creek means to you.

Corman's office is only a few miles from these lands. He'll know what you're talking about.
