I volunteered to set this up this year due to H-A's crazy schedule at work right now and mine has become equally crazy recently but I need to get a date out there so here it is.

Hopefully, H-A, Delta-Dog and myself (along with other volunteers, I'm sure) will hold the annual "Brush-up Day" on Saturday, June 22nd at the Little Lehigh Heritage section. I'll announce a time as we get closer but I'm thinking maybe around 10am.

More details to come but wanted to get the date out there for planning purposes.

Feel free to PM me if you have questions.

Mod's I put this in the beginners forum but if you feel it belongs in the Meet-up forum, please feel free to move it. Thanks.
