Sounds like your golfing buddy just became your fishing buddy.

So I took him out again a few weeks ago and he enjoyed himself again. Last week he was begging me to go out this weekend but time, lack of, on my part wouldn't allow it.

He calls me Sunday AM and tells me he and one of his buddies want to fish and he asks if he should go to the LL or the Jim Thorpe area. I asked him what type of fishing he was interested in and after he told me I sent him to the Evening Hatch to ask questions abt the area as I don't have much knowledge on that area and wasn't home to do some research for him.

Long story short ... he is somewhat 'hooked', tho being single w/ no kids he has enough time to not have to choose btwn fishing and other activities. Ystrday he purchased his first fly fish outfit and is itching to go out with me this week sometime.
