no luck needed ha. I fish it up by the trailer park and haven't been skunked once yet this year down there. I haven't even fished tollgate or anywhere downstream this year I've been having so much fun up there.

well that's not totally true, I fished the perk down below green lane once or twice already. About to start back up nightfishing down there again for the summer.

what I wanna know is where the hell the indian creek is? haha
