So I finally got around to calling St Croix this afternoon. I talked to a guy in sales first. He they were out of the tip I needed until the 24th. I said oh no, hoping to have it for the 22nd. And he said, well, let me transfer you to the service department and see if they can do anything. So I talked to service and he said the 24th as well, but asked me to hold for a minute. Of course I did and he went away for a few minutes. When he came back he said he had found one for me. It will be leaving tomorrow and should arrive in plenty of time for the 22nd.
