mc,

Where are you staying. Not sure what your schedule is, but if you want to find out some more information we will be having a small gala Friday evening at the Crystal Chandalier. You are more than welcome to stop in. The restaurant is located just outside the town of Middleville. There is a KOA campground right across the street. We will also be having our closing meeting on Sunday if you want to stop by. Check out troutpower.com for other events taking place in the area and times over the weekend.

Thanks and hopefully I run into you.
