I am respected when I walk into an Orvis shop or any other shop. Salespeople wait on me hand and waders.... I once tried to do underwater casting just to see if I could. I am the most admired Fly Fisherman in the world. And when I fly-fish - I use the Clearwater II. Stay fishing my friends, stay fishing.

P.S. someone else's opinion on a fly rod is useless...What may work for one person and satisfy their needs, does not always equate to satisfying your needs.
