Yes there is an area open above Toll Gate Rd. But state above Ferrence Rd. and you'll be okay, one landowner there jumped on me for fishing his section. When he said he was going to contact TU about doing some work on the section in question I told him he just did. Ha ha! He doesn't want anyone fishing there because of truck followers trashing his land.

Anyway the section above Toll Gate Rd. can fish very well early in the mornings and early in the season. There isn't a lot of trout, but they are fairly easy to catch.
