I've also had a banner spring.

I can't recall a single incidence where I had to change my plans, because the stream I wanted to fish was blown out.

Everything I wanted to do this year went pretty much exactly as I planned it out.

And that's rare.

Last year was also very good - but the earlier timing of the hatches, forced me to scramble around quite a bit to hit them.

These past 2 years have certainly made up for spring of 2011 - which was pretty much a big wash out
