I appreciate all the help from tyeager. I did go cast the rod, as I already knew I needed to. As I already stated, I was hoping someone who may have both, could compare the feel to me, but apparently that's just not possible. How about someone compare how suede feels compared to sandpaper? Get it?
I got the Clearwater on Sunday. I'll just say I like the rod. I won't bother to describe the feel to you. According to Pennypack, it would be useless.
