For me numbers probably about equaled last year at this time but I didn't get as much chance to fish for native brookies this year. Overall, this was a great year. Got a chance to catch fish on sulphurs, March Browns, Caddis and Tricos. Also, being able to catch one of those beautiful wild browns on the Little Juniata, Penns and Spring Creek at the jam this spring (thanks to PAFF) definitely made it a season to remember for me.
