Hook Jaw. Thanks again for looking. I got an envelope in the mail today postmarked Milroy Pa. Inside was my license with a note saying the writer found the license along Penns Cr Road. He. Signed his note: A. Fellow Fisherman. Whoever found my staff must have kept it and tossed the license on the ground for this chap to find. In case Fellow Fisherman is reading this, I just want to say thank you for taking the time and effort to do the right thing. I really appreciate it. As for the other guy who stole the staff ... Well, never mind. Thanks again H-J for taking some time to look around for me.
