Thanks for the replies.

SBecker.....Do you use sinking line when tossing streamers on the Lehigh? I've always used WF 6 or 7 weight line on my 6 weight rod. Curious if you think sink tip adds any benefits with the Leigh. In case it matters, I wade fish the Lehigh with flows from FEW at around 500 cfs or less.

When I am tossing the big stuff, I use a 7wt with a sink tip. Casts a lot easier. When I am just tossing single patterns I don't
