Our Grand Opening pricing at 30% off (40% off to PAFF members) is going to end on June 14th. So if you've had your eye on some gear, you should act fast. Once it ends, I'll issue out a coupon code to use directly on our site at 15% off for paff members.

If you'd like to order just PM me here or email me at risenflyco@yahoo.com on or before June 14th to get your extra discount. Ichthus reels start at \$84 with the 40% off. You can't beat a machined aluminum reel for that price and it won't last long!
