nymph, if you haven't figured it out yet, everybody's an expert about these things. If fishing a 2wt for brookies or small wild browns makes you happy, then by all means, do so. There are so many ways to skin that cat and there is no 'right' way. I'll fish for 'em with either a 2, 3 or 4 wt cane, in lengths from 5' up to 8' and always with a smile on my face.

Buy the Scott F2, enjoy the heck out of it and I'll second shortrod's advice...find a nice little Hardy to hang off that classy stick.
