Thanks again. Yeah the main reasons why I want to fish the Letort and Big Spring(especially the Letort) is because of all the history. I'll have to start surfing through some of the past threads on the streams. Still got a month, but I'm impatient haha.

Hammertime, next week I'll be fishing a stream in Ohio that supposedly has a trico hatch, so if they started hatching then that'll be a good warmup. Never fished them before.
