FD, you'll note the very last thing I said was "imo", which with an open mind, is no different than what you have to say about the situation. Just saying.

Let us be clear. I saw that (It was actually JMO), and we all are COMPLETELY entitled to your opinion regardless if it is ignorant or not. But nobody ever said that opinions are unquestionable.

And I noticed you did not answer my question, or the one from PPFLyer.
