I will make this promise to you: I will never crowd you out on that stream. You've got a better chance of seeing a cougar there than seeing me there. By cougar I'm referring to the large cat. We all know that Clarks is littered with hot chicks in their 40's..LMAO

****disclaimer**** I can not be held responsible if my nephew hounds me to the point that I take him there. I'll be easy to identify.... not fishing, not smiling and most time will be spent pulling the little guys stuff out of the tree branches.
