I like to carry a plastic trash bag as well. People tend to relax a bit if they notice you're actually picking up the place while you fish. That and 99.9% of the time I'm C&R anyway so it's not like I'm taking anything but pictures.

We were approached by a landowner on the west branch perk this year but he was very cool about it and actually told us he didn't mind as long as we were fly fishing. So that was refreshingly cool of him.
