Looking at the map I guess I'll take 76 from Philadelphia all the way to the Breeches, Letort, and Big Spring area and then from there shoot up to State College somehow. I'll be taking rt 80 home from there.

That would probably bet the best way.

When you head up from the Cumberland Valley toward State College, you'll be driving up RT 22/322 which runs right along much of the Juniata River and you can hit this river at many of the towns from Newport up to Lewistown.
