Is there a reward if they buy one a PAFFer tipped them off to? Two weekends a year seem about right? 

For what it's worth, other than Potter/Tioga, the next place I'd look would probably be Mifflin County. Not sure if your folks would consider that "State College area" still or not...but real estate should be less expensive than Centre Co. I'm used to driving long distances so 40 minutes into State College or an hour to Harrisburg is nothing to me, but may seem like a PITA to others. Check out the forested ridge/valley areas...saw some nice ones for sale while fishing at the Jam. If you think they'd be interested PM me and I'll let you know what roads I was on.

Edit: Above should read "Two LONG weekends per year!"
