What? Where did that post come from? When funding the prizes for the raffle, most comes out of my pocket with little or no reimbursement. If you want to start buying some stuff to donate, you are more than welcome to and it would be quite helpful. Money raised does go to the FUDR.

I guess that will inspire me to start a thread for what appears to be the FINAL CATSKILL JAM. The dates will be somewhere between September 12 and October 12. I'll try to have a firm date in the next 2-3 weeks.

I'm not sure we will be continuing this gathering in 2014.
