Overall I've caught more Browns than Bows, But only caught the Bows upstream from Rebers. The Browns caught upstream from Rebers seemed to be bigger than those caught downstream.

3 Browns 18" or better this year vs 1 last year and 2 in 2011

Biggest Rainbow this year 16", last year-same, 2011- 17"

To be fair I fished upstream from Rebers 6 times and downstream 4 times so far.
