Your stacking looks great, I'm sure any self respecting pike or any other large game fish will take those. I know they float like a cork hair tight and packed right. 🏆 I started off ff for ww did a lot of spinning and stacking years ago, man yours look good. Getting the back end tied nicely in with the front end aint no joke, tie in at the eye with the mono weed guard is sweet. Well done sir.
Do you put head cement on the collar ?
