Figures, I get all excited posting on here and now I don't need to be in Philly anymore. With that said I still want to do a PA trip that weekend. Still planning on doing the State College thing(Spring, BFC, Penns, etc..) but maybe not the CV, still might fit it in though. According to Google Maps it's roughly 2hrs from the State College area to the Harrisburg area, so idk. One of the days I still might want to make a run down there. I just really want to fish the Letort and Big Spring for fishing and historical reasons. Need to scratch those streams(as well as BFC and Penns) off the list!
