I hear you on the history but if I had to choose it would be Centre County and Spring Creek over the Cumberland Valley. Letort is very difficult and other than the ditch I think Big Spring is also very difficult. Definitely just my opinion, but that's what it is. Also in State College there are some brookie streams worth trying. Check the Class A Wild Trout waters list for either location to see what is out there too.

Pa sure does have the streams though, no doubt. An embarrassment of riches.
