Things will really start heating up on this after the 4th. I'll start collecting names and what they'll bring and publish it each day. Remember this event is open to all PAFF's, their friends and family. Dave and the Mods are all invited guests.

Old Lefty may again join us and give his great casting demo, or some other surprise demo.

Seriously think about joining us. This event was great last year and I have no doubt it will be a hit again this year. This event is simply about having fun and maybe a touch of fishing included. If you learn something, don't blame me!
