Kept searching craigslist because I felt he'd try to unload the bike asap. Found the ad on Saturday afternoon and began texting from my buddy's phone. Made up elaborate story, coordination with 39th district precinct. Met them Sunday at 3:30 and sting went into action. In less than 15 minutes, cycle recovered and 2 in custody. I didn't get home until 11:30 pm due to paperwork. They tricked me but I pulled an even bigger trick on them.

The undercover officer that took him down was 5'7" and 185 lbs of ripped muscle. Dude had 18" guns and begged to get the collar. He was praying that the guy put up a struggle but he didn't. The second guy tried to run and got caught. They never let me do a visual I'D and I'm assuming that's because they had to massage his skull with batons. Pretty awesome experience and the guys there were great. If I get robbed again, I hope it's there.
