Here, I'll fix it for you....

Do you have a boat? If you can answer yes, it's your lucky day. For a limited time, I am willing to trade my a ride in your boat for a chance to watch me fish in person. I have been trained to angle by a Jedi. This is your opportunity to catch a state record yellow perch on a fly!! And it's completely free for you.

Can you "snap T" cast with a spinning rod? I can. Do you have a blog? I do. Ever meet Curtis Flemming? I have. Hell, I've even carried a fly fishing team to a tournament victory earlier this year. Many people would pay as much as \$9.95 just to say "hi" to me. For a limited time only, you can spend an entire day with me for FREE!!
