Please, feel free to describe their target demographic.

latest, greatest, fastest crowd. they will likely be younger and certainly will have beards. they will rock simms gear while making fun of blue route mainline orvis guys. they will certainly drink pbr.

i agree the One is much faster than the z-axis. however One is a huge improvement over the z-axis (imo) and not speed for the sake of speed. having said that, maybe they got some of th kinks worked out and this will be a great rod.
