I was recently gifted a "Lidcam" IDK I got the thing and have never used it. I had considered a "Go Pro" for archery season. I'm sure I need some more sh-it to haul with me everywhere I go!

Kray, a little audio editing and the 4+ hours of video would have gone from lousy, all the way up to still not very good. But if you ever need what sounds like a jet engine, hit me up. I got that shi T covered!
