Yea I have that reservation at WBA burning a hole in my pocket. Pick a gosh darn date! I could donate a few fly lines or something. Maybe I can get a bunch of hand tied leaders donated from Chris Fave Fly fishing. I will check on it.

How is their water there? I think it is 2 miles of stream frontage. Is that private water or can the public fish there? I saw rooms starting at 59/night, but is that for the teeniest of rooms? Any info appreciated, thanks.
