I ain't no dude!!!! LOL. I might be able to go next Tuesday. What the hell's wrong with a room. Sure you could get one up there for about \$19.00 a night. I'll go to your secret inch worm spot, sure.

Andrew, I love a good anarchist now and then. Despite the name, they're harmless. By the way, I have a cat named Beckham. Gift from my soccer playing daughter when she left him with me and moved to California.
