Mooney,

The gathering is a long weekend. Some might show as early as Wednesday and others might show on Friday. Fishing, bs-ing, a few beers, fun and a Saturday morning raffle. 9' 5 or 6 weight would be your preferred gear for larger water. Casts of 40-60' are pretty standard. You also need to prepare for wind or rain. It's a little different up there.

For the guys that have shown interest, how about tossing out some dates. Please provide 2 different week's that would work. The 3rd week of September scares me due to the lake turning over. That typically results in dirty water and algae being blown out the gates. Dirty water can yeild some very good fishing though.
