Man those make most of my flies look like poo.... nice tying!

And remember ugly flies catch fish too, I had a chartreuse zonker that caught me many many walleyes n bass. Horrible tying job worked awesome.

Yea I guess they would... Maybe I'll add all the really ugly ones I tied to my fly box instead of just storing them... Anyhow thanks for the complement. Chartreuse zonker is still on my list... Need to get some chartreuse rabbit strips.
