Something smells fishy here:

((For eight weeks starting June 10th, we will be asking you to submit your carp photos based on a specific category: biggest, smallest, ugliest, video week, funniest, craziest location, prettiest, best in show. We'll be giving away some great prizes, including a HELIOS 2 OUTFIT for the grand prize winner. For this week, we're accepting entries for the UGLIEST. Vote for your favorite below. Or, if you haven't entered yet, submit your ugliest carp catch before Sunday, June 30th using this form. To learn more about fly fishing for carp, visit Orvis Carp Central.))

(How does 8 weeks fit into less than three?)
