Is the bush kill the stream you can see from I 78 going towards Easton ??

Not likely. Bushkill Creek dumps into the river on the North side of Easton (below College Hill), and 78 runs along the South side of town.

If you are around the 412 (Hellertown) exit, the stream would be Saucon Creek.

Of the 4 (major) Lehigh Valley limestoners, the Bushkill dumps into the Delaware River, while the Monocacy, Saucon, and Little Lehigh are tribs to the Lehigh River.

Rt 78 crosses over the Delaware River at the PA/NJ border.
