I recommend not going with a kit.

Get a good vice. (I was going to recommend the [Dan Vice](#) but the price has gone up on it and may no longer be your best bang for the buck).

Get a decent pair of scissors.

Get a ceramic bobbin.

Get a couple of spools of thread a light yellow, tan or cream and a dark brown or black.

Get some hooks.

Get a hares mask or shave the neighbors cat.

Get some pheasant tails.

Get some deer or elk hair.

Get some peacock herl.

Get a book [this one](#) would do.

Tie some flies.
