---TOP---

ant

deer-hair hopper

griffith's gnat

Hemingway Caddis

Ausable Wulff

White Wulff

---Nymphs---

I try not to...to much crap in the streams right now but if I must:

San Juan

Robinsin's Fast Water Sulphur

emerald city caddis

---Streamers--- (here's where it get fun)

Sculpins

Muddlers (these can double as a hopper in a pinch)

when the water comes up from a storm I am all about white wooly buggers and big articulated shizz

There you have it. thats what I am comfortable throwing with my 795. I'm stubborn this time of the year. if I can't use my 795 to fish it then *fLJøk* it
